Confirming our telephone conversation this morning, Prudential agrees with Mayor Mahan's proposal to refer this matter to the City's Architectural Committee in an attempt to find an appropriate resolution satisfying the parties to this appeal. Prudential grants an extension on final Council action of the appeals to November 18 2008. Further to our conversation concerning a Friday meeting with Cedar Fair, wouldn't section 708 of the City's Charter be controlling as to public notice? If so, there should be no notice issue for that meeting as currently proposed.
